

REMARKS

The following remarks are being submitted as a full and complete response to the Office Action dated July 5, 2006. In view of the following remarks, the Examiner is respectfully requested to proceed with examination of the application on the merits, to indicate the allowability of the claims, and to pass this case to issue.

Restriction Requirement

In response to the Examiner's restriction requirement set forth in the above-mentioned Office Action, Applicant hereby elects the continued prosecution of the invention identified as Species I as shown in Figure 2, and as recited in claims 1, 4, 5 and 8-14, without traverse. Applicants understand that all the non-elected species and their corresponding claims, are hereby withdrawn from further consideration in this pending application. Applicant hereby reserves the right to file divisional applications on such non-elected inventions.

Favorable consideration of this application is respectfully solicited. Should there be any outstanding issues requiring discussion that would further the prosecution and allowance of the above-captioned application, the Examiner is invited to contact the Applicant's undersigned representative at the address and phone number indicated below.

Respectfully submitted,
